

Foreign Language Week Scavenger Hunt Rules

During Foreign Language Week, hang up posters around the school telling how to say something in all the languages taught at your school.

Here is an example:

Have the students go on a scavenger hunt during their time before or after school or in between classes and give a reward to the first five students to bring back the completed form.

Ideas of words that you can post around the school: Hall, Office, Library, Computer, Newspaper, Auditorium, Gymnasium, Door, Window, Clock, Picture, Poster, Drinking Fountain, Boys Restroom, Girls Restroom, Table, Chair, Flag, Map, Lunchroom, Vending Machine, etc.

You can give them a list of the English Words, so they know what to look for, or you can just let them find the words on their own. Make sure that they write down the location of the poster, so they do not just look the words up on some online translator.
